

# REGIONAL CANNABIS AND NICOTINE AWARENESS WORKGROUP QUARTERLY MEETING

REGION 1 | SOUTHWESTERN CT

## Retailer Visits & Education: Tools for Youth Prevention

Join us for an engaging conversation with **Bryan Champagne, Supervising Special Investigator at TPEP**, about retailer visits and education. Learn how retailer visits can help prevent youth access to cannabis and nicotine products in your community, and how you can get involved.

### **More Information:**

- Understand the role of retailer visits and education in preventing youth cannabis and nicotine use.
- Review Region 1 data and product trends observed in the field to understand youth access and emerging products.
- Learn about regulations, TPEP findings, and available prevention resources.

**Wednesday, April 15**  
**10am - 11:30am**

Virtually via Zoom
